

MAJESTY 125

TECHNICAL SPECIFICATIONS

Please note this is the technical specifications of Majesty 125. The right is reserved to add, modify or delete during the final product development programme.

Principal characteristics

Length overall	125 ft (38.404 m)
Length waterline	106 ft 10 in (32.565 m)
Maximum beam	24 ft 8 in (7.540 m)
Draft at maximum load	6 ft 6 in (2.00 m)
Displacement	205 t approximately
Fuel capacity	7,595 US gal (28,750.20 l)
Fresh water capacity	1,500 US gal (5,678.11 l)
Black/grey water capacity	400 US gal (1,514.16 l)
Generators	2 x 80 kW, 50 Hz
Engines	2 x 2,600hp, 2,450 rpm
Vessel type	FRP luxury motor yacht

Specifications Overview

- Power assisted servo hydraulic steering system
- Hydraulic bow thruster 80 hp
- 24 VDC, 220/380/415 VAC electrical system
- Shore power 380 V, 50 Hz, 3-phase, 100 A with 30 m length cable and cable master system
- 2 x generator 380/415 V, 3-phase, 80 kW, 50 Hz
- 2 x hydraulic windlass with dual station controls type VWC 6000 make Maxwell or equivalent
- 2 x anchors SHHP (125 kg each)
- 2 x chains for anchors with 120 m length stud link chain U2 grade of 14 mm diameter
- Dual station electric trim tabs controls with gauges
- Dual station autopilot
- Dual station VHF radio
- Dual station forward and aft search light controls
- Electric quiet flush toilets
- Full length transom platform with tender storage facilities
- Stainless steel transom doors with signage 125
- Navigations lights according to the international regulations
- Fire detection system in all cabins
- FM 200 Fire extinguisher system for engine room
- Chilled water air conditioning system with capacity 4,00,000 Btu
- 2 x propellers, 5-bladed, AB2 material
- 2 x duplex steel tail shafts
- TRAC 440 stabilizing system
- AISI 316L stainless steel mooring cleats, two on fore deck, two on aft deck and four on mid ship
- AISI 316L stainless steel railings
- Camera monitoring system
- Stern garage
- Hydraulic power operated stern garage door
- Hot and cold water transom shower
- Round shape stainless steel portholes with clear safety glass
- Teak decking on aft cockpit, transom platform, gunnel area, upper deck and sundeck
- Upholstered exterior sofa seats at aft cockpit, forward area, upper deck aft cockpit and sundeck
- Alfa Lava fuel cleaning system (optional)
- Sewage treatment plant (optional)

- Hydraulic passerella (optional)
- Hydraulic swim platform transformer (optional)
- GMDSS for A2 system (optional)
- Multi zone audio/visual + automation system (optional)
- Night vision camera system (optional)
- 12 x under water lights (optional)
- Stainless steel railings on swim platform (optional)
- Dinghy and jetski (optional)
- Electric curtains with switches and remote control (optional)
- Sunshader at sun deck (optional)
- Navtex (optional)
- Weather fax (optional)
- Satellite compass (optional)

Hull and superstructure construction

Hull

- GRP with ATC closed core cell foam applied by the way of vacuum bagging
- Isopathalic polyester resin
- ATC core frames and bulkheads
- Quadraxial and biaxial E glass for inner and outer skin laminate
- Hand layup

Super structure

- Same laminate with balsa sandwich

Deck fittings

- Side pantograph door on port and starboard side
- 2 x hydraulic anchor windlasses with hand controls
- Stainless steel bow guard and anchor pockets
- 2 x anchors (125 kg each)
- 2 x chains for anchors 120 m length U2 grade of 14 mm diameter
- 2 x capstans and pop-up cleats located at aft cockpit
- 4 x stainless cleats on forward area
- 2 x stainless pop- up on swim plat form
- 8 x hawser pipes
- Deck hatch access to chain locker
- Fresh water deck wash outlets at forward, aft and upper deck and mid ship
- Safety glass side windows
- Front wind screen

- Wind screen wipers with fresh water washing system
- Teak wood fitted on swim platform, cockpit and side decks
- Self draining
- Lighting around the side decks
- Upholstered sofa seat and table at forward area
- Stainless steel railings at main deck gunnel, upper deck gunnel, forward area and sundeck
- Fuel and water fillers and black tank overboard discharge on side deck
- Flagpole on upper deck aft
- Hydraulic door for stern garage
- Round shape portholes

Main deck aft cockpit

- Cockpit lighting
- Stainless steel handrails
- Self draining
- Stainless steel framed sliding door to saloon
- Storage within aft seat moulding
- Integral stairway to upper deck with Teak treads
- Bathing platform
- Stairs to garage and engine room
- 2 x pop-up cleats
- 2 x pop-up cleats on swim platform
- 2 x capstans located in aft cockpit
- Stainless steel transom doors
- Cockpit table
- Steps to down bathing platform
- Stainless steel supports to upper deck
- Port and starboard side bulwark doors at aft and mid ship
- Hot and cold water hand shower
- Deck wash at forward, aft and upper deck
- Locker with fire damper pull-pin cables, emergency fuel shutoff valve pull-pin cable, engine room fire cylinder pull-pin cable
- Locker with fire hydrant valve and fire hose reel with nozzle
- Fresh water input and out let
- Upholstered sofa seats

Stern garage

V20130706

Page | 5

- Electro- hydraulic power operated garage door for opening/closing
- Lockable gas/water tight door to engine room
- Stairs to side deck
- Portholes
- Storage locker
- Sink and tap with hot and cold water supply
- Washer/dryer
- Crane 500 kg capacity

Upper deck cockpit

- Stair way from lower deck cockpit
- Stainless steel railing
- 2 x liferafts (16 persons each)
- Dining table with seating
- Teak decking
- Corian counter top
- Sink and tap with hot and cold water supply
- Patio door
- Upholstered sofa seats
- Stair way to sundeck
- Self draining

Sundeck

- Stairway from upper deck cockpit
- Stainless steel framed wind deflector screen
- Fiberglass hard top
- Lighting on underside of hard top
- Stainless steel railings
- Fully-fitted wet bar with corian top
- 3 x bar stools
- Tap with hot and cold water supply
- Fridge
- Ice maker
- Dining table with seating
- "U" shaped sofa seating and table
- Port and starboard side sofa seats and tables
- Upholstered sofa seating

- Electric barbeque
- Storage under the sofa seats
- Deck lights and flood lights

Sundeck helm

- Sundeck helm position instruments and controls
 - Steering wheel
 - Engine throttle
 - Port and starboard side engine rpm gauges
 - Port and starboard side engine controls
 - Rudder angle gauge
 - Trim tab gauge
 - Navigation displays
 - Wind displays
 - Autopilot
 - Bow thruster control
 - Windlass controls
 - Trim tab switches
 - Light switches
 - VHF Radio and hand set

Main helm

- Helm seat with fore and aft adjustment system
- Main helm position instruments and controls
 - Port and starboard side engine displays
 - Bow thruster control
 - General alarm
 - Fire detection alarms
 - Aft search light controls
 - Fwd search light controls
 - Port and starboard side engine room exhaust fan controls
 - Compass
 - Steering wheel
 - Horn switch
 - Engine throttle
 - Autopilot
 - Wiper controls

- Whistle control
- Port and starboard anchor winch controls
- Stabilizer display
- Navigation displays
- Port and starboard side engine parameter gauges
- Trim tab gauges and control switches
- Rudder angle indicator
- Navigation lights panel
- VHF Radio hand set
- Bilge pumps switches

Electrical system

- Electrical system of the boat is 3-phase, 380/415 V, 50 Hz (limiting fluctuations in shore power voltage to +/- 4%)
- Main shore power supplied by two generators
- 3-phase dockside connection (100 A) with cable master system
- Power management and load sharing protection system
- Battery isolation switches
- 2 x 12 V, 200 Ah batteries for port side engine
- 2 x 12 V, 200 Ah batteries for starboard side engine
- 2 x 12 V, 100 Ah batteries for port side generator
- 2 x 12 V, 100 Ah batteries for starboard side generator
- 2 x 12 V, 200 Ah batteries for service
- 2 x 12 V, 200 Ah batteries for machinery
- 2 x 12 V, 270 Ah batteries for emergency
- Batteries are charged by five battery chargers
 - 100 A, 24 V battery charger for service/machinery batteries
 - 100 A, 24 V battery charger for port and starboard engine batteries
 - 80 A, 24 V emergency battery charger
 - 30 A, 24 V battery charger for port and starboard generator batteries
- Main switch board system equipped with magnetic contactors, overload protections and short circuit protections
- 380/415 V panel is equipped with the following apparatus for each generator
 - Volt meter with select switch
 - Frequency indicator
 - Ampere meter with current transformers
 - Watt meter

- Signal light on
- Signal light alarm
- Signal light disconnect

For shore connections:

- Volt meter with select switch
 - Ampere meter with current transformers
 - Phase sequence meter
 - Signal light connect
 - Signal light disconnect
 - Signal light shore energized
- For 24 V system:
 - Voltmeter for general service battery
 - Voltmeter with change over switch for the starting batteries
 - Ampere meter
 - Outgoing circuits protected by circuit breakers
 - Protection to the phase line sequence
 - Secondary distribution panels are placed at:
 - Main deck (Pantry)
 - Lower deck (Lobby)
 - Wheel house (AC panel)
 - Wheel house (Navigation DC panel)
 - Main panel in wheelhouse contain following:
 - Navigation lights
 - Deck lighting
 - Navigation equipments
 - All the lighting systems are 2-pole, 24 VDC and 220 VAC
 - 220 VAC power outlets in all cabins
 - Navigation lights according to the international regulations
 - Navigation lights (red and green)
 - Stern light
 - Head on mast
 - Anchor light on mast
 - NUC Light -1
 - NUC Light -2
 - Tank senders for all tanks
 - Emergency lighting for all cabins

- 2 x exhaust fans (3- phase) for engine room
- All seacocks under the water line are grounded

Entertainment system

- **Main saloon**
 - LED TV 55"
 - Home theater system (Life style 48 Series)
 - Satellite receiver
- **Main deck aft cockpit**
 - 2 x ceiling speakers linked with saloon entertainment system
- **Family dining**
 - LED 32"
 - Satellite receiver
- **Owner's cabin**
 - LED TV 46"
 - Home theater system (Life style 48 Series)
 - Satellite receiver
- **Panoramic saloon**
 - LED TV 46"
 - Satellite receiver
- **Port double guest cabin**
 - LED TV 40"
 - Satellite receiver
- **Starboard double guest cabin**
 - LED TV 40"
 - Satellite receiver
- **Port twin guest cabin**
 - LED TV 32"
 - Satellite receiver
- **Starboard twin guest cabin**
 - LED TV 32"
 - Satellite receiver
- **Captain cabin**
 - LED TV 26"
 - Satellite receiver

Communication system

- PABX telephone system connected with following areas:

V20130706

Page | 10

- Captain cabin
- Wheel house
- Panoramic Saloon
- Owner's cabin
- Galley
- Main saloon
- Crew cabin 01
- Crew cabin 02
- Crew cabin 03
- Crew mess area
- Port twin guest cabin
- Starboard twin guest cabin
- Port double guest cabin
- Starboard double guest cabin
- Engine room
- Garage area

Engine room equipments

- 2 x main engines
- 2 x generators
- Stabilizing system
- Oil exchange system for engines/generators
- Intakes for air circulation
- 2 x extractor fans
- Temperature sensor on exhaust jackets
- Flexible mountings for generators/engines
- Fire extinguishing system is installed with necessary nozzles
- Engine room Siren
- Light work bench
- 220 VAC power outlets
- Storage space for spare parts list
- Stainless steel guard railings
- Fuel transfer manifold
- Port and starboard side chillers control boxes
- Horn compressor
- Battery bank and battery bank key switch panel

- Lube oil manifold
- Fuel system manifold
- Fresh water inlet connection

Fuel system

- Total fuel capacity 7,595 US gal (28,750.20 l)
- All tanks provided with manholes, fill pipes, ventilation pipes, and connection pipes to manifold
- Manual fuel shutoff valve
- Racor fuel filters for generators
- Electric fuel transfers pump 380 VAC/3-phase
- Fuel level monitoring system
- Fuel sight level gauges to fuel tanks
- Manual fuel pump
- Fuel fillers on port and starboard side deck
- Fuel lines are made of stainless steel
- Fuel pipe connections to engines/generators by flexible hoses/stainless steel pipes

Bilge system

- Bilge high water level alarm system for each water tight compartment
- Automatic bilge pumps fitted in each water tight compartment (3700GPH)
- Bilge alarm panel at wheel house console
- Fire line manifold system is installed in engine room
- Mechanical pump with bypass valves for Bilge purpose
- Hand operated diaphragm pump with bypass valves for suction of the bilges in each water tight compartment
- Bilge lines are made of stainless steel pipes

Fire and safety system

- Mechanical pump with bypass valves for fire purpose
- Fresh water line is connected to manifold for priming and cleaning system
- Fire alarm connected with all cabins smoke sensors
- Portable dry powder fire extinguishers in all cabins
- FM 200 fire extinguishing system for engine room
- Engine room fire extinguisher emergency pull-pin handle fitted at aft cockpit recessed locker
- Fuel shutoff valve emergency pull-pin handle fitted at aft cockpit recessed locker
- Engine room extractor fan emergency switches located at aft cockpit recessed locker

- Fire plumbing lines are made of CuNiFer/stainless steel pipes
- Fire hydrant locations at:
 - Main deck forward
 - Main deck galley
 - Main deck aft cockpit port side
 - Garage
 - Lower deck guest lobby
 - Upper deck aft cockpit

Alarm system

- The following alarm functions to be monitored
 - Bilge
 - General alarm
 - Day tank level high and low
 - Fresh water low level
 - Fuel oil storage tank low level
 - Fire alarm with schematic position indication

Power and drive system

- Hydraulic bow thruster 80 hp
- TRAC 440 stabilizing system
- Direct shaft drive through tunnels
- 2 x propellers, 5-bladed, AB2 material
- 2 x P-brackets
- 2 x rudders
- 2 x duplex steel tail shafts
- Seawater strainers for main engines and generators
- 2 x hydraulic trim tabs
- Cathodic protection provided by zinc anodes

Black and grey water system

- Black/grey water tank capacity 400 US gal (1,514.16 l)
- Electric Tecma toilets
- Black/grey water tank level indication at monitoring panel
- 3-way diverter valve for overboard discharge
- Black/grey water pumps works on automatically/manually

- Black/grey water pumps on 380/415 V, 3-phase
- Black and grey water plumbing lines are PVC pipes/flexible hoses

Fresh water system

- Fresh water tank capacity 1,500 US gal (5,678.11 l)
- 2 x 220 VAC fresh water pumps
- Pressurized hot and cold water system
- 3 x marine standard electric water heaters for hot water (each capacity 67 l)
- Water heated by 240 V immersion heater
- GF piping throughout supplying all outlets
- Filling and ventilations to side deck
- Dock connection for shore water supply on aft swimming platform with pressure regulator
- One handheld shower with hot and cold water supply on swimming platform
- 2 x water makers, each capacity 1800 gal/day

Air conditioning system

- Chilled water air conditioning system with capacity 4,00,000 Btu
- All compressors on 380/415 VAC and handlers on 220 VAC
- 2 x sea water pumps
- 2 x chiller water pumps
- Chiller units, chiller water pumps, sea water pumps placed in engine room
- All plumbing lines are made of PVC pipes
- All plumbing lines are well insulated
- Chillers sea water cooling plumbing lines are made of CuNiFer/stainless steel
- A/C control switches in all cabins

Lubricating oil changing system

- Fresh lube oil tank capacity 120 US gal (454.24 l)
- Dirty lube oil tank capacity 120 US gal (454.24 l)
- Engines/generators are connected with stainless steel pipes/flexible hoses to fresh and dirty lube oil tanks
- One electric oil change pump
- Manual oil change pump
- Manifold system

❖ Interior specifications

Main deck

Saloon

- Stainless steel framed sliding door to cockpit
- Sofa seats
- Sofa side tables
- Storage
- Fitted carpet
- Side windows with roman blinds and pleated blinds
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Curtains for main saloon door
- Port and Starboard side wall cabinets with shelves

Dining area

- Dining table
- Chairs
- Cabinets with doors and drawers
- Architectural lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Fitted carpet
- Sliding door to galley
- Sliding door to main lobby

Galley

- Lockable water tight side door leading to port side deck
- Corian counter top
- Vinyl flooring
- Sink and tap with hot and cold water supply
- Cabinets, overhead lockers and drawers.
- Refrigerator
- Freezer
- Hob
- Fryer and grill

- Hood
- Oven
- Microwave combi oven
- Dish washer
- Wine cellar
- Waste disposer
- Architectural lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Family dining table with stools
- Windows with pleated blinds
- Entrance door to crew stairs

Main deck lobby

- From dining area to dayhead, owner's office, owner's cabin
- Watertight side door leading to starboard side deck
- Architectural lighting
- LED lighting to steps
- Lighting switches and AC sockets
- Stairs down to lower deck cabins
- Stairs up to upper deck lobby
- Door to day head toilet

Day head toilet

- Vanity locker
- Wash basin and tap with hot and cold water supply
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Mirror
- Electric toilet
- Extractor fan
- Architectural lighting
- Vanity lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Towel storage and product shelf

Owner's office

- Desk
- Chair
- Sofa seat
- Storage locker and open shelves
- Fitted carpet
- Window with roman blinds and pleated blinds
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Door to owner's cabin

Owner's cabin

- Large double bed with mattress, pillows and bedspread
- Fitted carpet
- Bed side table
- Desk
- Chair
- Window with roman blinds and pleated blinds
- Storage cabinets and drawers
- Storm shutter storage
- 4 x drawers to bed
- Architectural lighting
- Cabinetry lighting
- Reading lights
- Lighting switches and AC sockets
- Air conditioning with control switch
- Entrance door to bathroom
- Entrance door to walk-in-closet

Owner's ensuite

- 2 x wash basins and taps with hot and cold water supply
- Bath tub
- Storage cabinets and drawers
- Mirror
- Architectural lighting

- Vanity lighting
- Cabinetry lighting
- Shower light
- Lighting switches and AC sockets
- Glass to shower room
- Hot and cold water shower mixer
- Sky shower
- Electric toilet
- Bidet
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Extractor fan
- Windows with wooden blinds

Owner's walk-in- closet

- Storage lockers
- Window with curtain
- Fitted carpet
- Wardrobe
- Architectural lighting
- Cabinetry lighting
- Shelves and drawers

Upper deck

Panoramic saloon

- Counter top
- Sink and tap with hot and cold water supply
- 3 x bar stools
- Storage lockers and drawers
- Fridge
- Sofa seat and table
- Sofa side table
- Wooden flooring
- Round dining tables with chairs
- Patio door to upper deck aft cockpit
- Architectural lighting

- Cabinetry lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Side windows with roman blinds and wooden blinds

Day head toilet

- Vanity locker
- Wash basin and tap with hot and cold water supply
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Mirror
- Electric toilet
- Extractor fan
- Vanity lighting
- Architectural lighting
- Lighting switches and AC sockets
- Towel storage and product shelf

Upper deck lobby

- From panoramic saloon to dayhead, wheel house and stairs down to main deck
- Wash basin and tap with hot and cold water supply
- Audio/video storage locker
- Storage locker
- Steps down to main lobby
- LED lighting to steps
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Fridge
- Entrance door to wheel house
- Entrance door to day head toilet
- Entrance door to panoramic saloon

Wheel house

- Desk and chair
- Sofa seat

- Shelves
- Wooden flooring
- Lighting switches and AC sockets
- Entrance door to captain cabin
- Air conditioning with control switch

Captain cabin

- Large double bed
- Drawer to bed
- Bed side table
- Storage under the bed
- Wardrobe
- Windows with roman blinds and pleated blinds
- Architectural lighting
- Cabinetry lighting
- Reading lights
- Lighting switches and AC sockets
- Air conditioning with control switch
- Entrance door to ensuite
- Fitted carpet

Captain's bathroom

- Wash basin and tap with hot and cold water supply
- Electric toilet
- Hot and cold water shower mixer
- Mirror
- Architectural lighting
- Cabinetry lighting
- Shower light
- Lighting switches and AC sockets
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Extractor fan

Lower deck

Guest lobby

- Stairs from main deck
- Sub distribution panel locker
- Storages
- Entrance door to port double guest cabin
- Entrance door to starboard double guest cabin
- Entrance door to port twin guest cabin
- Entrance door to starboard twin guest cabin
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets

Port double guest cabin

- Large double bed
- Twin bed side tables
- 2 x drawers to bed
- Storm shutter storage
- Wardrobe
- Shelves
- Desk
- Storage
- Side window and porthole with roman blinds and pleated blinds
- Fitted carpet
- Architectural lighting
- Cabinetry lighting
- Reading lights
- Lighting switches and AC sockets
- Air conditioning with control switch
- Entrance door to ensuite

Port double guest bathroom

- Vanity locker
- Wash basin and tap with hot and cold water supply
- Storage locker
- Shelves
- Mirror
- Towel storage

- Shower lighting
- Architectural lighting
- Cabinetry lighting
- Vanity lighting
- Lighting switches and AC sockets
- Electric toilet
- Bidet
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Glass door to shower room
- Shower mixer
- Sky shower
- Shelf in shower room
- Porthole with wooden blinds

Starboard double guest cabin

- Large double bed
- Twin bed side tables
- 2 x drawers to bed
- Storm shutter storage
- Wardrobe
- Shelves
- Desk
- Storage
- Side window and porthole with roman blinds and pleated blinds
- Fitted carpet
- Architectural lighting
- Cabinetry lighting
- Reading lights
- Lighting switches and AC sockets
- Air conditioning with control switch
- Entrance door to ensuite

Starboard double guest bathroom

- Vanity locker
- Wash basin and tap with hot and cold water supply
- Storage locker

- Shelves
- Mirror
- Towel storage
- Shower lighting
- Architectural lighting
- Cabinetry lighting
- Vanity lighting
- Lighting switches and AC sockets
- Electric toilet
- Bidet
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Glass door to shower room
- Shower mixer
- Sky shower
- Shelf in shower room
- Porthole with wooden blinds

Port twin guest cabin

- 2 x single beds
- 2 x drawers to bed
- Storm shutter storage
- Bed side table
- Ward robe
- Reading lights
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Fitted carpet
- Entrance door to ensuite
- Porthole with roman blinds and pleated blinds

Port twin guest bathroom

- Vanity locker
- Wash basin and tap with hot and cold water supply
- Storage locker with shelves

- Mirror
- Shower lighting
- Architectural lighting
- Cabinetry lighting
- Vanity lighting
- Lighting switches and AC sockets
- Electric toilet
- Bidet
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Glass door to shower room
- Hot and cold water shower mixer
- Sky shower
- Seat in shower room
- Porthole with wooden blinds

Starboard twin guest cabin

- 2 x single beds
- 2 x drawers to bed
- Storm shutter storage
- Bed side table
- Ward robe
- Reading lights
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Air conditioning with control switch
- Fitted carpet
- Entrance door to ensuite
- Porthole with roman blinds and pleated blinds

Starboard twin guest bathroom

- Vanity locker
- Wash basin and tap with hot and cold water supply
- Storage locker with shelves
- Mirror
- Shower lighting

- Architectural lighting
- Cabinetry lighting
- Vanity lighting
- Lighting switches and AC sockets
- Electric toilet
- Bidet
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
- Glass door to shower room
- Hot and cold water shower mixer
- Sky shower
- Seat in shower room
- Porthole with wooden blinds

Crew galley and lounge

- Stainless steel sink and tap with hot and cold water supply
- Fridge
- Washing/dryer
- Microwave oven
- Hob
- Storage locker
- Corian counter top
- Storage lockers with shelves
- Over head lockers
- Open shelves
- Air conditioning with control switch
- Porthole with pleated blinds
- Vinyl flooring
- "U" shaped sofa seat and table
- Architectural lighting
- Lighting switches and AC sockets

Crew cabin - 01

- 2 x bunk beds
- Wardrobe
- Porthole with roman blinds
- Air conditioning with control switch

- Architectural lighting
- Cabinetry lighting
- Reading lights
- Lighting switches and AC sockets
- Vinyl flooring
- Entrance door to ensuite

Crew bathroom - 01

- Sink and tap with hot and cold water supply
- Electric toilet
- Storage locker
- Mirror
- Hot and cold water shower mixer
- Sky shower
- Architectural lighting
- Lighting switches and AC sockets
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)

Crew cabin - 02

- 2 x bunk beds
- Wardrobe
- Porthole with roman blinds
- Air conditioning with control switch
- Architectural lighting
- Cabinetry lighting
- Reading lights
- Lighting switches and AC sockets
- Vinyl flooring
- Entrance door to ensuite

Crew bathroom - 02

- Sink and tap with hot and cold water supply
- Electric toilet
- Storage locker
- Mirror

- Hot and cold water shower mixer
- Sky shower
- Architectural lighting
- Lighting switches and AC sockets
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)

Crew cabin - 03

- 2 x single beds
- 2 x wardrobes
- Air conditioning with control switch
- Vinyl flooring
- Reading lights
- Architectural lighting
- Cabinetry lighting
- Lighting switches and AC sockets
- Entrance door to ensuite

Crew bathroom - 03

- Sink and tap with hot and cold water supply
- Mirror
- Electric toilet
- Hot and cold water shower mixer
- Sky shower
- Architectural lighting
- Lighting switches and AC sockets
- Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail)
